### OH WHAT A MOTHER

\*Do we understand that a Christian Mother is told to **love her children** . This type of mother , **will make a meal at home** . out of hot-dogs and chips , pat out Biscuits and make a Hoecake , see a mother will send you out to the store to buy a whole chicken and cut it up at home herself , a mother will chastise her children and teaching them while she is chastising them .

\*A mother said , I want my children to have all the things that I couldn't afford . Then she said then I want to move in with them .

\*It takes a women twenty years to make a man out of her son , and another woman , twenty minutes to make a fool of him .

\*Someone said my mother's menu consisted of two choices , **take it or leave it** .

A . That they may teach the young women to be sober , to love their husbands , to love their children , to be discrete , chaste , keepers at home , good , obedient to their own husbands , that the word of God be not blasphemed .

B . In that way they can teach the younger women to love their husbands and children .
